

Are you a Veteran interested in sharing your civilian reintegration experience?

VA Research study recruiting participants

We are seeking to improve the post-deployment experiences of Veterans.

You may be eligible for the study if:

- You served after Sept 11, 2001.
- You separated from the military within the past 5 years
- You are in the National Guard or Reserves but not currently on Title 10 active duty orders

If you are interested, you will be consented and asked to share your experiences through a brief

10-15 minute interview and a survey, taking approximately 30 minutes total.

You will receive a \$15 gift card for taking some time to speak with us.

This information will help us better understand your experiences and develop a program aimed to provide you with better resources.

Study Title

From Military to Community Life: Reintegrating Veterans with Invisible Injuries

Funded by the VA Rehabilitation Research & Development Service

U.S. Department of Veterans Affairs

We are interested in learning about the experiences of Post-9/11 Veterans, including those in the National Guard or Reserves currently not on active duty.

Please share your story with us!
